

ABOUT MOORE THAN ARTHRITIS

STRONGER TOGETHER. BEYOND LIMITS.

ABOUT MOORE THAN ARTHRITIS

Moore Than Arthritis is a UK-based lived-experience-led organisation working to make everyday life, communities and workplaces more inclusive for people living with arthritis and related conditions.

We exist because arthritis is never only about joints. It can influence movement, fatigue, confidence, employment, relationships, access to activities and the ordinary choices that shape daily life.

Our role is to connect people, communities, organisations and employers around practical inclusion, credible awareness and meaningful opportunities to participate. We do not provide medical advice or act as a medical referral service.

OUR BOUNDARY

Moore Than Arthritis provides general awareness and inclusion resources. We do not provide medical advice or act as a medical referral service.
