A relationship-first community

The Moore Than Arthritis Active Community Network brings together organisations that want to strengthen inclusion, awareness, community wellbeing and access to appropriate opportunities.

Free network membership

Joining the Active Community Network does not require a membership fee or sponsorship contribution. Paid partnership is a separate, optional pathway.

Who can join?

- Community sports clubs and inclusive activity providers.
- Adaptive sports teams and disability-sport organisations.
- Football club community trusts and foundations.
- Charities, support groups and community organisations.
- Leisure, wellbeing and education providers.
- Values-aligned businesses and employers.

Potential member benefits

- Recognition as an Active Community Network member.
- A digital member badge after approval.
- A public directory listing where suitable.
- Opportunities to share relevant inclusive activities or events.
- Invitations to selected awareness campaigns and community conversations.
- Ability to nominate Community Heroes.
- Opportunities to contribute to Move Your Way.
- Selected awareness and inclusion resources.
- Connection with organisations that share similar values.

What membership does not guarantee

- Guaranteed social-media promotion or campaign placement.
- Clinical endorsement or accreditation.
- Funding, referrals or commercial work.
- Automatic permission to use all Moore Than Arthritis branding.
- A legal partnership, agency relationship or exclusivity.

How to join

- Complete the Expression of Interest Form.
- Take part in an introductory conversation where helpful.
- Agree to the Collaboration Principles.
- Provide accurate public information and approved logo files.
- Receive membership approval and the New Member Welcome Pack.
