

WAYS TO GET INVOLVED

STRONGER TOGETHER. BEYOND LIMITS.

GET INVOLVED

Individuals can join conversations, share experiences, use and share resources, or connect with inclusive community opportunities.

Community organisations can explore joining the Free Active Community Network, contribute practical knowledge and help widen accessible participation.

Businesses and employers can support the work through workplace inclusion partnerships, training, sponsorship and collaborative awareness activity.

Professionals, advocates and people with lived experience can express interest in volunteering, advisory involvement or future project collaboration.
